MUSIC well into the evening. There are plenty of **FOOD AND DRINK** options at our different stations, including The Bessemer Arms Pub Restaurant at Sheffield Park, a hog-roast van at Horsted Keynes, a sandwich bar and railway buffets. You can enjoy a whole day out at the Bluebell Railway!

Plus for all 3 days:

Children can let off some steam in **KIDS KINGDOM** in the paddock at Horsted Keynes Station which will feature a bounce house, football shoot-out,

gladiator suits, traditional **FAIRGROUND** rides and candy floss! Head to pretty Kingscote Station and make use of the picnic area next to the Children's Playground. A bouncy castle and soft play is available here under parental supervision. Brass Bands and Jazz Bands will feature over the weekend.

See our website for more details about the event and to book tickets.

VINTAGE VEHICLES including tractors and buses will be on display at different stations. For the adventurous, **BRAKE**

VAN RIDES in the Queen Mary Brake Van will operate out of Horsted Keynes Station. **DIESEL DRIVING TASTERS** are available in a siding at Horsted Keynes Station for those with a taste for driving.

BEHIND THE SCENES TOURS

Enter non-public areas guided by knowledgeable staff. Explore the beautiful signal box at Kingscote Station, learn about heritage skills and achievements in the Carriage and Wagon Workshop and discover the locomotive workshop at Sheffield Park.

At 11am and 2pm on Saturday and Sunday in SteamWorks! at Sheffield Park, children can take a very special tour with the author of **Peter's Railway**, Chris Vine, as he talks about boilers, pistons and pressure vessels. Children even get a free book! The workshop lasts 1 hour. Children must be accompanied and group sizes on the day are limited - so get there first!
